I'm new to the area and use the map almost daily.4 of 4 people found the following review helpful. Missing winery informationBy R. EmplitI bought this atlas for a wine-tasting trip through Washington and Oregon. Unfortunately, unlike Thomas's California atlases, this one did not include wineries. Also, the atlas needs a better overall map of the area for use in trip planning. The one in the atlas doesn't have enough information to be useful for anything except locating pages in the atlas.0 of 0 people found the
