**National Geographic Maps - Trails Illustrated : Paiute ATV Trail [Fish Lake National Forest, BLM] (National Geographic Trails Illustrated Map)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Paiute ATV Trail [Fish Lake National Forest, BLM] (National Geographic Trails Illustrated Map):

0 of 0 people found the following review helpful. Wow. Sometimes you just need a hard copy. You need this one. By Triggerfish I've gone digital with about everything in life, but this hard copy is worth it. Clearly lays out the difficulty and, where applicable, width limits of every trail. Worth it. 0 of 0 people found the following review helpful. Great map. By Ddm33 Very detailed map that includes trail size. Definitely need one if you are going to this area. 0 of 0 people found the following review helpful. Five Stars. By Kerry from Calif. Good map, you need this on the Paiute trail.

Waterproof Tear-Resistant Topographic Map With over 2,500 miles of trails and roadways available for motorized use, Fishlake National Forest is an extraordinary destination for Off Highway Vehicle (OHV) enthusiasts. National Geographic's Trails Illustrated map of Paiute ATV Trail combines unmatched detail with helpful information to offer an invaluable tool for exploring this remarkable region of Utah. Created in partnership with local land management agencies, this expertly researched map features key areas of interest including the Tushar Mountains, Piute and Otter Creek reservoirs, the Pavant Range, Fremont Indian State Park, and a portion of Fish Lake. In addition to the Paiute ATV Trail, the map includes portions of the Great Western Trail and the Fillmore, Marysvale, and Richfield ATV loops. Trails are clearly marked according to difficulty and with mileage between intersections to help you plan your excursions. The print version of the map includes over a dozen town access maps that include the services available in each town. The map base includes contour lines and elevations for summits, passes and lakes. Many recreation features are noted as well, including campgrounds, trailheads, interpretive trails, boat launches, and fishing areas. Every Trails Illustrated map is printed on "Backcountry Tough" waterproof, tear-resistant paper. A full UTM grid is printed on the map to aid with GPS navigation. Other features found on this map include: Awapa Plateau, Circleville Mountain, Delano Peak, Dixie National Forest, Fish Lake, Fishlake National Forest, Pahvant Range, Parker Mountain, Piute Reservoir, Tushar Mountains. Map Scale = 1:90,000 Sheet Size = 37.75" x 25.5" Folded Size = 4.25" x 9.25"

About the Author Founded in 1915 as the Cartographic Group, the first division of National Geographic, National Geographic Maps has been responsible for illustrating the world around us through the art and science of mapmaking. Today, National Geographic Maps continues this mission by creating the world's best wall maps, recreation maps, atlases, and globes which inspire people to care about and explore their world.
