Trish Riley : Palm Beach, Miami The Florida Keys: A Complete Guide (Great Destinations) before purchasing it in order to gage whether or not it would be worth my time, and all praised Palm Beach, Miami The Florida Keys: A Complete Guide (Great Destinations):

Rich in both civilized luxury and natural beauty, Florida's Gold Coast and the Keys welcome travelers of all tastes and budgets. Includes 2004 post-hurricane updates. Organized geographically from north to south (from Palm Beach to Key West), this new guide looks beyond the obvious attractions of this spectacular region and gives even the short-term visitor the chance to see the unique, off-beat side of Florida. Author Trish Riley has scoured the area for its legendary chefs and local harvests, independent inns and B&Bs, boutique hotels, historic downtown districts, luxurious shopping areas, and well-known and not-so-well-known beaches. As in each Great Destinations series guidebook, you'll find important contact information for lodging, dining, shopping, and recreational activities, transportation details, a calendar of events, special "If Time Is Short" options, local history, many photos and maps, and essential information for residents. Find out why the Great Destinations series is "consistently rated the best guides to the regions covered. Readable, tasteful, appealingly designed. Strong on dining, lodging, culture, and history." -National Geographic Traveler. 60 black white photographs, 10 maps, index.
