James Kavanagh, Waterford Press : Panama Birds: A Folding Pocket Guide to Familiar Species (A Pocket Naturalist Guide) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Panama Birds: A Folding Pocket Guide to Familiar Species (A Pocket Naturalist Guide):

0 of 0 people found the following review helpful. Very Complete and Accurate By Bill from Vail Excellent! And very convenient to carry. This small guide really covers the basics. I have been able to identify every species I have encountered thus far using this small guide. 0 of 0 people found the following review helpful. Birds of Panama By Owl this is a good pocket guide for birds of Panama. Doesn't go into as good of detail as a birding book. but easier to carry. 0 of 0 people found the following review helpful. Great lightweight guide By JUDY HARMONY Lightweight and easy for travelling. Good protective surface. Contains most numerous birds to be seen.

The isthmus of Panama where North and South America meet is the permanent or migratory home of more bird species than all of North America, a total of 985 species! This beautifully illustrated guide highlights over 140 familiar and unique species and includes a map featuring prominent bird-viewing areas. Laminated for durability, this lightweight, pocket-sized folding guide is an excellent source of portable information and ideal for field use by visitors and residents alike.
