Klaus Wiesner : Paraguay Naturismo: MNAT.065 before purchasing it in order to gage whether or not it would be worth my time, and all praised Paraguay Naturismo: MNAT.065:

A superb, detailed, double-sided shaded relief travel map of Paraguay. The map clearly notes the reserves and parks, visitor centers, major estancias, tourist sites such as caves, fishing beaches, etc., The map shows the locations of gas stations, airports, distances along main roads, spot heights, and much more. Multilingual legend, including English
