We are taking our trip to Paris in a few weeks and this guide has helped us a great deal in planning what to do and how to ...By AlliseWe used the tips in this book very effectively for the three days we were in Paris. We are taking our trip to Paris in a few weeks and this guide has helped us a great deal in planning what to do and how to get the most out of Paris.1 of 1 people found the following review helpful. Save your moneyBy RJSave your money. This short book (35 pp) is totally unhelpful. By no means is it a "definitive tourist guide". It appears to be based on someone's notes of a short trip to Paris. I am traveling to Paris in the near future and ordered this together with Rick Steves Pocket Paris. Steves' book has a lot of useful information. This has none.0 of 0 people found the following review helpful. SuccinctBy WineauxA very short guide to the highlights of Paris. Found one place not on our radar of places to visit. Helpful as a pocket guide for short trips.

There are many types of tourists guides and some of them focus on Paris, but this book will prove incredibly helpful thanks to its high practical value. It is a guide that was primarily designed for people who have to stay in Paris for a few days only. It is for them that it comes hardest to organize their visit in the city, because they basically have to make many choices and condense the beauty of Paris in a short time frame. However, naturally this book is also useful for people whose stay in the capital is longer, but who dont know very well what is worth seeing most of all, what they should do in Paris to get around easily, and how they could save time and maybe also money.Here is a preview of what you will learn in this guide: what makes Paris so attractive for tourists and what is particular about it key information about Paris how to get there tips on means of transport in the city advice on accommodation highly recommended touristic attractions that are a must even if you stay only 3 days tips on what and where to eat/drink if you want to experience a typically French flavor or interesting places in the capital what you should see if youre interested in culture and entertainment recommendations for specific events that your stay can synchronize withWhy do you think Oscar Wilde said: When good Americans die, they go to Paris? This guide offers you information about the most important touristic highlights in Paris. Such places include historical monuments, places that have high architectural or artistic value, and social attractions. Many of these places are already landmarks, but this guide aims at helping you organize your trip by including only what is really a must-see attraction. This guide also provides many useful tips on what you shouldnt miss in Paris if youre interested in cultural life such as theater, concerts, or art galleries. Moreover, it advises you on what you should consider from a practical perspective if you want to have a smooth ride through the city and not spend the highest amount of money. This short guide is designed for people of all ages and for this reason it presents a wide array of details and information that anyone can benefit from. This book also recommends a few basic facts to consider during your trip, from tipping habits to things that you can benefit from if you purchase a Paris pass. Paris surely offers a memorable experience to anyone who knows how to travel intelligently, saving time and unwanted expenses. Enjoy it and make the best of your visit!
