8 of 8 people found the following review helpful. Gorgeous By Abby Beautiful pictures on each page. The pictures for each month have a color theme that matches the spirit of the month (red for February, white for December, green for June). Tons of room to write in appointments for each day. The pages are quite thick, too; I don't anticipate any bleed through with my pens. 3 of 3 people found the following review helpful. Having just been to Paris, I wanted a calendar ... By Joanne P. Marlin Having just been to Paris, I wanted a calendar to remind me of my trip. This fits the bill with its vibrant colors and scenes from the city. 0 of 0 people found the following review helpful. I really like this calendar Usually By Trixie RI really like this calendar Usually, I get a Lighthouse/Beach themed calendar. This is a very nice size, good space for jotting appointments, etc. The pictures are beautiful... nice colors, interesting subjects. I

recommend.

Bring the palette of Paris to every week of the year with beautiful photos from Paris in Color. Each month highlights a different hue of the city.
