Brian Patton : Parkways of the Canadian Rockies before purchasing it in order to gage whether or not it would be worth my time, and all praised Parkways of the Canadian Rockies:

0 of 0 people found the following review helpful. Four StarsBy CustomerThis book provides good overview of the Canadian Rockies0 of 0 people found the following review helpful. Worth every pennyBy MattThis book we picked up once in Banff perusing a store, and man I was glad we did. Lots of great spots we wouldn't have otherwise found. After having used this book, I would happily pay double for how much it enhanced our trip. This book, and the "Don't Waste Your Time in the Canadian Rockies" are MUST HAVE guides for your trip.1 of 1 people found the following review helpful. InvaluableBy y0changThis book is so invaluable for planning a trip to the Canadian Rockies. Great descriptions, well organized. Wonderful pictures to kick start the imagination. Lots of information, and good tips. Will be bringing along with me on my trip.

In Parkways of the Canadian Rockies, Brian Patton brings a wealth of experience to this user-friendly and fact-filled

driving guide to the Canadian Rockies. First published in 1975, Parkways of the Canadian Rockies was the first comprehensive guide to roads in the mountain national parks of Banff, Jasper, Yoho, and Kootenay.
