Elizabeth Herrington : Passport Brazil (Passport to World) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Passport Brazil (Passport to World):

11 of 12 people found the following review helpful. The "brazilian way" put in words! highly desirable...By A

CustomerCulture shock is sometimes taken for granted, however to be cosmopolitan, is to have experienced a culture shock and being able to fully utilize it to your own benefit. Brazil is one of these places in the world where the unwritten rules are as important as the air you breathe, if you intend to successfully journey through this country, it is imperative that you learn about the culture, the history and the economy. Yet the most precious commodity you can come across, is a friend... Because doors will be open to you in ways you've not yet experienced before. This book is a friend.5 of 5 people found the following review helpful. From a Brazilian who read this bookBy Ines MenesesIt is very small and quick to read. However, it was amazing how much quality information the author could pack into such a small space. She lived 18 years in Brazil, and as a Brazilian reading the book, I can tell she knows what she was talking about. It was also curious for me to learn about things that I always took for granted, or that I thought were specific to my personality rather than from the culture. Unfortunately it is out of print as of this writing (Dec 2003). I hope it gets reprinted soon.8 of 8 people found the following review helpful. Excellent Cultural GuideBy A CustomerThis book is a great help in deciphering Brazilian customs and subtle cues. I would also recommend "A History of Brazil" and "The Brazilian Sound: Samba, Bossa Nova and the Popular Music of Brazil" as essential works that also give vital background.

Comprehensive guide to the culture, etiquette and communication of Brazil.

From the PublisherSuccess in international business is not just about your product and service, or about terms and delivery schedules. Success is about people, traditions and relationships. Passport to the World books are comprehensive guides to understanding a country's people, culture, etiquette and communication styles. Passport Brazil will help you: Avoid cultural faux pas Learn about Brazil's values and beliefs Understand the reasons behind the actions Develop an effective negotiating style Don't leave without your passport!
