Dr. Tony Crisp : Passport to Israel: A Pilgrim's Guide to the Holy Land (Study Series) (Volume 1) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Passport to Israel: A Pilgrim's Guide to the Holy Land (Study Series) (Volume 1):

From Dr. Tony Crisp comes an invaluable resource for anyone traveling to Israel or for anyone who wishes they could! Compiled over the course of a 38 year span, Passport to Israel is a book of many genres. Its notes are designed as a handbook for guides or as a travelers journal, whether actual or virtual, and includes pages for journaling discoveries along the way. Archaeological sites are listed according to their present-day and biblical names and include events both past and present, offering the reader greater context. The basics of archaeological discovery are included. History buffs can enjoy timelines not only of Israel, but of world powers and players through the millennium. Explore key leaders in the region and better understand how they affect the countries surrounding them and much more! Passport to Israel will both broaden your scope of understanding and narrow your focus on the land and people of Israel.
