This allowed me to see the parks in the a different light and find many treasures I'd never seen before. It will take several visits before I complete the hunt, but I'm enjoying the challenge.0 of 0 people found the following review helpful. It seemed like it would be a treasure hunt - since that ...By hollyNot what I had hoped. This is more of a fact book. It seemed like it would be a treasure hunt - since that is the title.0 of 0 people found the following review helpful. Not really a treasure hunt in my opinionBy MikiClementsThis does not seem like a treasure hunting book. More like a trivia challenge. But it was interesting.

Adding an extra dimension of fun to a Walt Disney World visit, the more than 100 treasure hunts in this book lead visitors to the many hidden gems in the theme parks, water parks, and resort hotels. The hunts are suitable for all ages and treasure-seeking abilities, from children and first-time visitors to eagle-eyed park veterans. Clues are presented in the form of questions and are ranked by difficulty level, with a challenge for everyone. Answers are provided in locked treasure chests in the back of the book. Readers must open the sealed "treasure chest" pages to reveal the answers, thus inhibiting peeking or accidental reading.
