journal/scrapbook. However, this is our first trip since they instituted the new Fastpass+ service and I thought this book would cover much more on this since they started implementing the system in late 2013. It does not. The only touring plan that mentions the Fastpass + is the Magic Kingdom one. The other 3 parks still talk about the old Fastpass system. I found quite a bit of out-dated information and I'm not talking things that Disney just announced this year. I was really hoping for some better insight. That being said, it's still a very useful guide book - especially if you don't already own two. I will still use the journaling section in the back, but that's about all I really needed this book for. My past copies would have served just fine.

5 of 5 people found the following review helpful. Must Read for New Disney Adventurers!
By Danial Hallock
This book is an absolute must for first time Disney World vacationers. Complete with packing lists (4 out of 5 stars), resort descriptions (3), park descriptions (5), ride descriptions (4), park-day itineraries (5) to help you navigate a one-day visit to each park, meal plan break downs (4), restaurant guides (3), and tips to help you navigate various perks (extra magic hours, Disney Express and FastPass), the \$30 book will help bring your first time experience to a whole new level.

0 of 0 people found the following review helpful. Good basic book for a Disneyworld novice
By Frances Clark
Having been to Disneyworld many times, there was very little in the book that I didn't already know about, and there is also a wealth of information available online that can't all be fit into any one book. It would be very helpful to a first-time Disney visitor since it has become almost impossible to visit Disneyworld without doing a lot of advance planning. I purchased the book as a little refresher course for our latest trip in 2015 and because it had a lot of visual appeal, and it does make a nice memento of that trip. I liked the theme park map feature which shows how much time it takes getting from one attraction to another; very helpful in planning each day in the theme parks. The book appeared to be reasonably up-to-date, and any newer changes could be found on-line. My biggest complaint about the book was that the elastic band which keeps the book closed broke away from the book. A superglue job only held it temporarily before it came apart again. At that point was wonderful in immediately shipping me a replacement. Unfortunately, the same thing happened to the second book right before we left for our trip and there was no point in returning that one. It has also been fixed with superglue, but broke away as soon as I took photos for this review. This was the only feature that was a problem. Otherwise this book is satisfactory is a basic trip planner for a Disneyworld novice.

With four major theme parks and 22 hotels, Disney World can be daunting this indispensable travel planner simplifies the process. Each of the four major parks gets in-depth coverage, complete with full-color fold-out maps and a description of every ride and attraction. Exhaustive profiles of Disney-owned resort hotels feature detailed maps, color photos, and room layouts. The guide also covers all of the parks 300+ dining options.

About the Author
Dave Marx is cofounder and publisher of PassPorter Travel Press and along with Jennifer Marx, has co-authored 30 PassPorter guidebooks. He discovered Disneyland in 1975, the Walt Disney World Resort in 1997 and first cruised with Disney in October 1999. He's attended Disney celebrations, anniversaries, and christenings, and especially loves researching new ports of call.
Jennifer Marx is co-founder and executive editor/creative director of PassPorter Travel Press. She's built a life-long love of all things Disney into a more-than-full-time career. Jennifer is the author of nearly 50 books, including the guide that started it all: PassPorter's Walt Disney World.
Jennifer and Dave's 10-year-old son, Alexander Marx, is a veteran visitor to Walt Disney World, has cruised the Mediterranean, toured Disneyland Paris, and took his first steps while transiting the Panama Canal. He offers expert opinions and brings his own 'Toddler Tips' and 'Kid Tips' to PassPorter's Walt Disney World. They live in Ann Arbor, MI.
