**Jennifer Marx, Dave Marx, Allison Cerel Marx : PassPorter Walt Disney World 2007: The Unique Travel Guide, Planner, Organizer, Journal, and Keepsake!** before purchasing it in order to gage whether or not it would be worth my time, and all praised PassPorter Walt Disney World 2007: The Unique Travel Guide, Planner, Organizer, Journal, and Keepsake!:

15 of 16 people found the following review helpful. Excellent companion guide and take-along organizerBy cmpCo-recommended by and for the Unofficial Guide, I bought both. This guide doesn't contain much new information from

the Unofficial Guide, and is much more concise and compact. However, it has two adults, teen, kid, and toddler ratings for each attraction, which is very helpful and interesting. The absolute best part of this book, however, is the organizer pockets at the back. There are enough pockets for a ten day vacation, plus a couple of extra, and a couple of travel pockets as well. You can write reservation info, impressions of rides for a scrapbook or something once you get home, and put tickets, pamphlets, etc. in the pockets. I plan on using the cut-out guides from the Unofficial Guide and keeping them in the pockets. I have already put all my ADRs on the pages, and I'm not leaving until May. ;) This book is small enough that it should fit in a medium bag or pack as you tour. I wouldn't have been happy with it as my only guide, but as a companion and organizer, it's top notch.

By M. N. Olson I like this book because it breaks everything down for you. For example, if you want to know how many pools each resort has, you can find it with a quick glance. Even Hot Tubs, which I was having a heck of a time finding though the Disney site? Also how far away each resort is from each park and the time it takes to get there. This book answers a lot of questions I had and then some. This book helps match what our needs and wants are more quickly. I also highly recommend [...]

The forums are awesome!

By BookGirl54 This is such a fun book for anyone who is planning a trip to Disney World. It has just the right amount of information and insider's tips, without being overwhelming. It has lots of spaces for planning your stay (i.e. budget, lodging, dining), and includes cute little pockets in the back for saving receipts, itineraries, etc. Last year we used this book to plan our trip for Charlotte, NC to Disney World. It was with us every step of the way, and was well-worn by the end of the trip. Every evening we would fill out the "memory" pages at the end of the book, which was the perfect ending to the day. Recommendations in this book are great for families, adults, and even groups. Thanks to this book we are actually planning more visits to Disney. Without it we probably would have gone once, and not thought about returning.

ALSO, these people have a nice website, a email newsletter, and an online store. They are friendly and truly want you to enjoy Disney as much as they do.

PassPorter Walt Disney World 2007 includes descriptions of each Disney-owned hotel complete with color map, photos, and layouts. Also featured are fold-out park maps, handy ToddlerTips, KidTips, TweenTips, and TeenTips, and 14 organizer "PassPockets" to make planning the perfect vacation a breeze.
