**Joni Seager : Penguin Atlas Of Women In The World - Completely Revised Updated Fourth Edition** before purchasing it in order to gage whether or not it would be worth my time, and all praised Penguin Atlas Of Women In The World - Completely Revised Updated Fourth Edition:

0 of 0 people found the following review helpful. highly recommendBy Tabetha HaggertyI absolutely love this book. For anybody who is interested in gender issues, geography, politics, or sociology, it is a must read. It's not actually much of a "read" at all. It is a very visual book, with lots of colorful maps and graphs with very interesting statistics that you might not have otherwise thought about.0 of 0 people found the following review helpful. Five StarsBy Customerit's great0 of 0 people found the following review helpful. Two StarsBy Kathleen R.Not very current!!
