You don't have to be familiar with the preceding Tree House book. Perfect for a nice book report for 10 year old. The combo of drawings and pictures is nice.0 of 0 people found the following review helpful. Great penguin factsBy CustomerA lot of fun facts and a very interesting read.0 of 0 people found the following review helpful. Can't go wrong with penguins!By Keely D DawsonThe only thing missing in this book is a little color. Great quality and fair price.
