Five StarsBy karenrVery helpful book for my study of the language. Arrived quickly.2 of 3 people found the following review helpful. Well doneBy KLGFor those who wish to show respect to the Amish by

learning some of their language. Simple and yet it allows one to learn enough of the PA German phrases to show respect to an Amish person by speaking their spoken language.

All PA-German speakers are bilingual with the exception of small children. Knowing PA-German is not necessary for communication. Therefore this phrase book does not focus on travel phrases which might come in handy if you were traveling in a foreign country. The phrases and questions given in this book are common ones which can be used to ask a simple question, start a conversation or give an appropriate reply in PA-German. Languages can be an interesting and fun topic of conversation. Perhaps you can find a native speaker who is willing to help you with pronunciation. If you are a serious student of PA-German, this book will give you a good start. PA-German varies slightly in different regions. This book reflects the usage of PA-German in Holms County, OH.
