(Playa is a hop skip and a jump away from Cancun, and we were flying into Cancun.) Fabulous book for Cancun tourists! Nothing on Playa Del Carmen.1 of 2 people found the following review helpful. Tours And Attractions?By D. EmeryIf you haven't already settled on a place to stay, and if your vacation is centered around nightlife and dining out, then this book is for you. The hotel and restaurant ratings system is unique and helpful, although the organization in each section is by alphabetical order- the book would be easier to use if they were organized by location or rating, but there is a distance guide that shows locations along Kukulcan Ave.[...]2 of 2 people found the following review helpful. "The" Travel Guide For CancunBy Jim MWell, I've just read the new and improved People's Choice Guide and I have to say that it is a must have for travelers or tourists to Cancun. The guide covers almost everything Cancun from hidden gems to the glitz of the club set. Unlike other prominent guides, the PCG covers almost every hotel, most restaurants and other points of interests. When I first started going to Cancun some twenty plus years ago, nothing would tick me off more than buying one of the so called major guides and not seeing a resort I was thinking about booking, in it. With the PCG that's not likely to happen and best of all many of the reviews are based on people whom have actually stayed at the Hotels or eaten at the Restaurants, and of course, the author who has managed to track down and keep regular tabs on the Cancun scene. The book is loaded with travel tips, recommendations, and up to date, concise addresses and phone numbers of everything the typical visitor to Cancun may need.In my opinion, this is the most worthwhile guide to Cancun published and is more extensive than any other guide on the market.

The only Cancun travel guide and survey displays more than 500 Restaurants, Clubs, Bars, Accommodations, Tours and Attractions, the most information available anywhere! An innovative approach combines comprehensive establishment details together with the vote results and candid reviews from their guests. While other travel guides offer opinions and ratings from only a few staff writers, ours features the culmination of experiences from thousands of vacationers. Travel with confidence knowing that you have the best resource for accurate and up-to-date Cancun Mexico information on the market today. Topics covered throughout the chapters and survey listings include: **KNOW BEFORE YOU GO-** ~ Benefit from having the shared experience and knowledge of thousands of Cancun vacationers at your fingertips.~ Vote results allow for easy comparisons of more than 500 restaurants, clubs, bars and accommodations.~ Honest and insightful comments assist in choosing the perfect place to stay, recommend the best dishes to order in restaurants and point you to the hottest nightspots. **SAVE MONEY-** ~ Discover deep discounts at fantastic restaurants, popular nightclubs, exciting tours and top attractions.~ Get the most favorable exchange rates when converting your currency to pesos.~ Find the best bargains while shopping for authentic Mexican handcrafts, jewelry and souvenirs.~ Learn who should be tipped and what is considered an appropriate amount. **STAY HEALTHY-** ~ Eat safely while maintaining good digestive health.~ Enjoy tasty cocktails and avoid that morning after hangover.~ Save your skin while sun tanning and swimming.~ Purchase name-brand prescription medication in Cancun - plus so much more... About the AuthorTo My Fellow Travelers, Upon your approach into Cancun international airport, as you look out over the striking white sand beaches, crystal clear turquoise water and beautiful greenery, you will know you are in for an incredible vacation! During my first Cancun trip in March of 2000, I took along a few travel guidebooks to help me get acquainted with the surroundings. One thing that struck me is that there were so many fantastic places to dine and go out to at night that were conspicuously missing. Furthermore, when I read a great hotel review or one describing a restaurant, I wondered if I could trust that what the travel book was stating was honest and truthful. This is because they mentioned the same few places and presented reviews that sounded very similar to one another. I wondered if this was just a coincidence, or maybe there was something more going on beneath the surface. How is anyone to really know for sure? That is when I became inspired to do something about it. When I set out to write a Cancun travel guide, I wanted to design something that would be new and completely different from the rest. I wanted it to deliver much more information about establishments, in a better, easier to use format, while making it the most accurate and

reliable Cancun Mexico tourist resource. The only way to do this was to not write it on my own, but to invite assistance and input from the experienced traveling public. With actual vacationers contributing their viewpoints and opinions, this would truly be a new concept - the one and only Cancun travel guidebook and survey. I decided that the best method to accomplish this would be to create a website that can calculate vote scores while simultaneously collecting and analyzing a myriad of comments. This would ensure that the information the book would deliver is candid, honest and insightful. I sincerely believe that our Cancun travel guide will help make everyone's vacation so much more enjoyable, in fact I guarantee it! Saludos Happy Travels, Eric Rabinowitz
