Tracie Thurston : Perros Lost before purchasing it in order to gage whether or not it would be worth my time, and all praised Perros Lost:

If you are an animal lover, you have to read this. If you are interested in the stories that abandoned dogs hold, you have to read this. A fascinating story you will not be able to stop reading- Miguel Godoy Chile is a beautiful and vibrant country but for a lonely dog on the streets it can be CRUEL and HARSH. Living in the UNKNOWN each day as to what events will unfold and not knowing where your next meal will come from are just some of the difficulties that street dogs have to overcome. This COMPELLING story comes from one of the street dogs who shares his difficult life on the streets of the VINA DEL MAR resort in Chile.
