unique photos. Worth the price, for sure.0 of 0 people found the following review helpful. ... me through a ten week South America trip with great recommendations the whole wayBy CustomerGot me through a ten week South America trip with great recommendations the whole way. Up to date, accurate. Don't let the warnings of danger scare you off too much though - be smart but don't live in a worried state. Not wandering drunk, exploring unknown areas at night, or with valuables showing, you should be fine.
