Silvia Schroder : Peru Unique Impressions 2017: Impressive Pictures of the Diversified Peruvian Andes (Calvendo Nature) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Peru Unique Impressions 2017: Impressive Pictures of the Diversified Peruvian Andes (Calvendo Nature):

Peru is a country with many facets. The Andes are a landscape full of contrasts influenced by the Inca culture. High mountains, deep valleys, vast landscapes, lush cloud forests and dry highlands make this part of the world very diversified. Calvendo calendars are premium products - a bit more pricey than others but with added benefits: Our calendars always look beautiful on your wall because we produce them locally with premium paper and sophisticated spiral binding, ensuring easy turning of pages and flat hanging against the wall. A protective transparent plastic cover sheet provides added stability. Treat yourself to a Calvendo calendar and you get something that looks better all year round.
