From Bucher : Peru with Bolivia: The Inca Empire before purchasing it in order to gage whether or not it would be worth my time, and all praised Peru with Bolivia: The Inca Empire:

Peru and its neighbor, Bolivia, are an exotic travel destination par excellence, offering the Andes, tropical rain forests and deserts, and unrivaled fauna and flora. The heart of the ancient Inca Empire has maintained its character to this day: almost half the population are descendants of the original Indian inhabitants. Follow in the footsteps of the first explorer on a journey that paints a picture of lost civilizations.
