Litografia Artistica Cartografica : Perugia, Provincial Road Map (English, Spanish, French, Italian and German Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Perugia, Provincial Road Map (English, Spanish, French, Italian and German Edition):

0 of 0 people found the following review helpful. This is a regional road map - looks like most, if not allBy birdloverThis is a regional road map - looks like most, if not all, of Umbria. I returned it as I wanted a street map of the city of Perugia. I'd give it 5 stars if I had wanted a regional map. The description was inadequate, in my opinion,

hence the 2 stars.

New, nice.
