What can I say, I love PopOut Maps. Everywhere I travel I make sure I have one for that city. Slips into purse nicely. Sturdy, long lasting. Have some for over 20 years. 0 of 0 people found the following review helpful. Clever idea, but the map is very small. You would be probably better off printing your own map at home. By R. Taylor I purchased this map because I wanted something that was more legible and detailed than what I could print at home. The pop-out idea is clever, but unfortunately it is so small that it is no more legible or detailed than an online map you can print on your home printer. I like the Streetwise map better, even though it is not as compact.

Discover the colonial heritage of Philadelphia with the help of this genuinely pocket-sized, pop-up map.
