From Philip's : Philip's Essential World Atlas before purchasing it in order to gage whether or not it would be worth my time, and all praised Philip's Essential World Atlas:

This atlas combines 96 pages of digital mapping with a 32-page information section - "The earth in focus" - along with

world statistics and a 64-page 17,000 name index. It is designed for reference use at home, at school or in the office.
