**From Thomas Cook Publishing : PhraseGuide Portuguese (Thomas Cook Phraseguides)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised PhraseGuide Portuguese (Thomas Cook Phraseguides):

1 of 1 people found the following review helpful. This is European Portuguese. By Blake Hutchinson If you're going to Portugal, great, but you'll need an audio course (Michel Thomas 0071614583 and 0071637559 OR Pimsleur's European Portuguese course) to supplement it. If you're going to Brazil, then you'll want another book. Just make sure

it says "Brazilian Portuguese". I give this book 4 stars because there's no CD or link to audio files, and you'll definitely need audio to learn either European or Brazilian Portuguese.

Phraseguide Portuguese is designed for people on their vacation - making essential words and phrases accessible in a practical and user-friendly style.
