Trevor Balzer, Lonely Planet Phrasebooks : Pidgin: Lonely Planet Phrasebook before purchasing it in order to gauge whether or not it would be worth my time, and all praised Pidgin: Lonely Planet Phrasebook:

would have made it much better. There is a new edition now. 0 of 0 people found the following review helpful. Great For Beginners By Orrin This book had all the beginning praises for me to enter the country for the first time, and begin talking in Pidgin English. The only problem is that it was an introduction to 4 different languages; Bislama, Solomon Islands Pijin, Tok Pisin, and Other Creoles. If I wanted a book just for pidgin, 3/4 of the book was unnecessary. However, the section that was Pidgin, was very well done. 0 of 0 people found the following review helpful. Useful! Lightweight By Young Reader Useful! Lightweight, easy for travel. I was looking for a small dictionary/phrasebook just for Tok Pisin but couldn't find one that fit the bill and chose this instead. It is interesting learning about other pidgin (or technically creole) languages of the Pacific, too.
