Playing Dead: A Contemplation Concerning the Arctic by two-time Governor General Award winner Rudy Wiebe, is the first book in NeWest's Landmark Editions Series. First released in 1989, this collection won the Alberta Culture Non-Fiction Award. These essays take a critical look at the history, mystery, and spirituality of a region that Wiebe would have us see as a vital aspect of our Canadianism, one we ignore at the peril of our nationhood.
