Vivien Lougheed, John Harris : Pocket Adventures Bolivia (Pocket Adventures) (Adventure Guide to Bolivia (Pocket)) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Pocket Adventures Bolivia (Pocket Adventures) (Adventure Guide to Bolivia (Pocket)):

Restaurants and hotels are placed into three categories according to price, which is a must for me when I travel. Many travel books only cover budget hotels or high-end hotels, whereas this one runs the gamut. The mid-range hotels I stayed in were very much as described in this book. No complaints.0 of 0 people found the following review helpful. Great travel informationBy LapimientaThis book has loads of info on Bolivia. We purchased it a couple of years ago when we planned a trip there. Unfortunately, we never made it, since that was during the time that the government's attitudes towards Americans and the USA were pretty negative. I am keeping it, though, and hoping to use it when we finally do get to go.0 of 0 people found the following review helpful. Pocket Adventures BoliviaBy Homeschool MomThis little travel guide was a nice addition to our display when we made a presentation on Bolivia for World Geography. It did indeed have a lot of useful information. I am just delighted I found it in time.

This series is so popular that it's growing by leaps and bounds. Following the notable success of "Belize Pocket Adventures" and "Yucatan Pocket Adventures", we now offer four more titles in this lightweight, portable format. Designed to be used while you're on the go, "Hunter's Pocket Adventures" fit in your pocket with ease and make the perfect take-along reference. They contain all the practical travel information you need - places to stay and eat, tourist information resources, travel advice, emergency contacts, and more - plus condensed sections on history and geography that give you good background knowledge of the destination. The authors are fascinated with the destination and their passion comes across in the text, which is lively, revealing, and a pleasure to read. Sidebars highlight unusual facts and tell of local legends, adding to your travel experience. Detailed town and regional maps make planning day-trips or city tours easy. Adventures covered range from town sightseeing tours and nature watching to sea kayaking and organized jungle excursions. Travellers looking for a more relaxed vacation may want to sign up for traditional dance lessons in Bolivia, drum classes in the Dominican Republic, or attend a weaving school in Bolivia - these cultural adventures will introduce you to the people and afford you a truly unique travel experience.
