They are written at a higher Lexile level than the stories but it makes them fun to read together. My 6 year old doesn't have the patience to read through a research guide the entire way through on her own but together it makes for a fun project...she gets to tell me about what happened in the story to Jack Annie and together we learn some fun facts about whatever time/place the story was about.0 of 0 people found the following review helpful. Three StarsBy Ashe County Schools COI received all 4 books great0 of 0 people found the following review helpful. Loaded with informationBy CustomerVery informative and interesting reading

FOR USE IN SCHOOLS AND LIBRARIES ONLY. Find out why the arctic is so cold, how polar bears cross thin ice, and many other facts about the arctic.

About the Author MARY POPE OSBORNE and NATALIE POPE BOYCE are sisters who grew up on army posts all over the world.
