Stefan Bogner, Jan Baedeker : Porsche Drive: 15 Passes in 4 Days; Switzerland, Italy, Austria (English and German Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Porsche Drive: 15 Passes in 4 Days; Switzerland, Italy, Austria (English and German Edition):

0 of 0 people found the following review helpful. This is an excellent book. We like to travel and drive in ...By T. SullivanThis is an excellent book. We like to travel and drive in this region, and it is usually very difficult to choose and weigh the numerous options out there. This was a great resource for planning our next trip, and the history of the various passes is a welcome addition.1 of 1 people found the following review helpful. Beautiful photos. If you are planning on a driving ...By JohnBeautiful photos. If you are planning on a driving tour to some of these Alpine passes,

it will give you a good idea of what you can look forward to.0 of 0 people found the following review helpful. My Mother and Father were mighty happy when we reached the top without errorBy william c howiesonSome of these passes boggle the mind, and I am looking forward to using this book on a planned Alpine trip in 2018, when I will "recreate" my earliest drive on the Stelvio Pass shortly after getting my driving license. My Mother and Father were mighty happy when we reached the top without error, at which point Dad took over much to Mum's relief.

After his last book Escapes, Stefan Bogner returns to the Alps again with this illustrated book. This time not only did he photograph particular routes, but he looked for the ideal tour through the Alps: 3 countries, 14 passes - the perfect little escape for 4 days.Different from Bogner's photographs in Escapes or Curves, where Bogner just presents dreamlike empty streets, Porsche Drive focuses on the journey in Porsche models such as Porsche 906, Porsche 911, Porsche 918 and more. Stefan Bogner drives his own Porsche 911 1970 ST.Apart from Bogner's photographs, Porsche Drive offers information on each route and height profile. Thus you can follow Bogner's itinerary on a long weekend.Text in English and German.

Photographer Stefan Bogner has produced the impossible: a most epic set of Porsche road trip pictures for his immensely cool new book Porsche Drive (Jared Paul Stern Petrolicious.com, January 22, 2016)The dreamy landscapes inside this book will have you dying to take a road trip (Dujour.com)
