About the Author HarperCollins Publishers is a proud supporter of First Book, a national nonprofit organization whose mission is to give children from low-income families the opportunity to read and own their own new books. The primary goal of First Book is to work with existing literacy programs to distribute new books to children who, for economic reasons, have little or no access to books. In this way, First Book effectively leverages the heroic efforts of local tutoring, mentoring, and family literacy organizations as they work to reach children who need help the most. First Book distributes millions of books to hundreds of thousands of children nationwide each year. For more information on First Book, please visit www.firstbook.org.
