Portland Impressions by Steve Terrill By Pat in Portland This book has beautiful pictures of the Portland, OR area. Steve is an excellent photographer and has a great eye for picture content. Anyone interested in the Portland area will enjoy this book immensely. I bought three of them, one for myself, one for my son who has moved to Seattle, WA and one for my daughter who has moved to Eagle River, AK. This will give them a little piece of home to look at any time they want.
