Robert Landon, Lonely Planet Phrasebooks : Portuguese: Lonely Planet Phrasebook before purchasing it in order to gage whether or not it would be worth my time, and all praised Portuguese: Lonely Planet Phrasebook:

0 of 0 people found the following review helpful. Not so well organized phrasebookBy KFRBought this phrasebook because I like the LP travel guides. It turns out being good in one does not guarantee you're good in the other. The organization of "situations" in which you need pecific words is not very logical and the priority given to various phrases is also odd. In the restaurant and caf section I missed several basis phrases. In the restaurant mini-dictionary

following phrases the situation was similar. I ended up not using this book and instead used my 20 year old portuguese-english mini dictionary. One of the vacations in which I learned the least about the local language.0 of 0 people found the following review helpful. Great phrasebook!By miguel solisThis phrasebook is fantastic, as a Portuguese speaker I was hoping that this could be a good gift for a friend that I was teaching. I went through it and it truly gives you sentences that make sense and wouldn't sound weird in conversation.0 of 0 people found the following review helpful. Five StarsBy melissa bashoreGreat book!!!

There's more to Portugal than bacalhau and porto, but how to get in deeper? Despite crazy rumors, you can't get drunk, speak French and expect to be understood in Portugal. Open this book and take the plunge - Portuguese is the key to an adventure of your own. Our phrasebooks give you a comprehensive mix of practical and social words and phrases in more than 120 languages. Chat with the locals and discover their culture - a guaranteed way to enrich your travel experience.
