Joe Sonderman : Postcards from Route 66: The Ultimate Collection from America's Main Street before purchasing it in order to gauge whether or not it would be worth my time, and all praised Postcards from Route 66: The Ultimate Collection from America's Main Street:

0 of 0 people found the following review helpful. Awesome trip down memory lane. By Rita Reader This book is like a trip into the past. Wonderful postcards of hotels and businesses of Route 66. Colorful, it is a bit of charming nostalgia that you will want to revisit often. My family took a trip on the famous highway in 1963 when I was a child from Oklahoma to southern California. I will never forget it, and I think most people who love books about this subject have similar experiences. I collect old match covers of old hotels and such and these postcards bring the same love of the past to the fore when you sit down to enjoy them. I love this book and it is a must for your book collection about this famous highway. You will not be disappointed. 0 of 0 people found the following review helpful. Provides the feel of retro Americana - I think I'll make the trip! By Global Guru Very much enjoying the images and easy-to-read stories related to them. 0 of 0 people found the following review helpful. Five Stars By ray faerber High quality book, very well done.

Postcards from Route 66 is a visual reference that documents the evolution of the famous highway and its equally famous roadside stops, as well as a historical record of the time period, complete with many notes both hastily scribbled and thoughtfully composed by Route 66 travelers through the decades. Route 66 historian Joe Sonderman has curated the 400 very best out of his 20,000 postcard archive to document a journey through the decades. Year by year, state by state, from East to West, visit landmark stops like the Rock Village Court, the Meramec Caverns, Mule Trading Post, and Wigwam Village in cities that include Chicago, Springfield, Amarillo, Tucumcari, Flagstaff, Barstow, Santa Monica, and many, many more.

"...is a must-have for anyone interested in this iconic stretch of asphalt and the history of long-distance automobile
