National Geographic Maps - Trails Illustrated : Poudre River, Cameron Pass (National Geographic Trails Illustrated Map) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Poudre River, Cameron Pass (National Geographic Trails Illustrated Map):

0 of 0 people found the following review helpful. Great map! By Handy Artist Just returned from a 5 day trip to Rawah Wilderness and this map was very useful! Highly recommended. 0 of 0 people found the following review helpful. I absolutely love these maps. By Larry Go I absolutely love these maps. We go trail riding in the mountains and I always keep these maps with me along with the vehicle use maps. Never can have too many maps. 0 of 0 people found the following review helpful. Five Stars. By mzkitty Good use, took it on a backpack trip this summer.

Waterproof Tear-Resistant Topographic Map Outdoor enthusiasts looking to enjoy the pristine areas in southern Roosevelt National Park will find National Geographic's Trails Illustrated map of Poudre River and Cameron Pass an essential travel companion. Expertly researched and created in partnership with the U.S. Forest Service, Colorado State Parks, the Bureau of Land Management and others, this map will guide you along the trails, over the peaks and across the rivers as you enjoy your adventure or recreation activity. Included in this map are the areas of Comanche Peaks and Rawah Wilderness, Bull Mountain, Bliss State Wildlife Area and more. The map's clearly marked trails, tagged with mileages between intersections and colored according to their permitted usage, can guide you off the beaten path and back again. The map base includes contour lines and elevations for summits, passes, lakes and rivers. The Cache la Poudre North Park Scenic Byway is also mapped out for those who prefer to explore the area on the road. Some of the many recreation features highlighted on the map include: campgrounds, huts and yurts, wildlife viewing areas, cross-country ski, snowmobile, ATV and bike routes and visitor centers. Due to the extreme weather here in the winter, the map also includes seasonal safety warnings, so visitors know what areas are closed during certain parts of the year. Every Trails Illustrated map is printed on "Backcountry Tough" waterproof, tear-resistant paper. A full UTM grid is printed on the map to aid with GPS navigation. Other features found on this map include: Comanche Peak Wilderness, Mummy Range, Neota Wilderness, Rawah Wilderness, Rocky Mountain National Park, Roosevelt National Forest, Routt National Forest. Map Scale = 1:40,680 Sheet Size = 22" x 32" Folded Size = 4" x 7.5"

About the Author Founded in 1915 as the Cartographic Group, the first division of National Geographic, National Geographic Maps has been responsible for illustrating the world around us through the art and science of mapmaking. Today, National Geographic Maps continues this mission by creating the world's best wall maps, recreation maps, atlases, and globes which inspire people to care about and explore their world.
