Judy Driscoll, Sherry White : Poulsbo (Images of America) before purchasing it in order to gage whether or not it would be worth my time, and all praised Poulsbo (Images of America):

1 of 1 people found the following review helpful. More than Meets the EyeBy JanWonderful photos and descriptions of the history and families that settled this area! I particularly loved reading the histories of buildings that have been repurposed and still exist in the area.1 of 1 people found the following review helpful. nice small-town historyBy domestic divaI own a huge coffee-table book about Poulsbo. This book is much smaller, and thus more affordable. It also contained tidbits that were not mentioned in the larger book, yet the pictures are abundant. I'd highly recommend it for Poulsbohemians past and present.0 of 0 people found the following review helpful. Retirement here for usBy

Susabella We are going to retire to Poulsbo within a couple of years, so thought it would be a good idea to learn more about it. Having been there many times over the years, we thought we knew a lot, but this book definitely gives a good look at the history.

Poulsbo is one of the earliest communities on Washington's Olympic Peninsula. Founded in 1883, it quickly became the destination place for Scandinavian immigrants looking for a fjord-like setting where they could farm, fish, and flourish in a climate more user-friendly than either their homeland or America's Midwest. The village on Liberty Bay is home to the oldest Lutheran church on the Olympic Peninsula. It was also the homeport for the Pacific Coast Codfish Company, at one time the largest codfish supplier on the Pacific coast. While motorized fishing boats and pleasure craft of all types have replaced the three-masted schooners of yore, Poulsbo today still cherishes its Scandinavian heritage with Syttende Mai, Midsommarfest, and Julefest. The local bakery put Poulsbo on the map in the 1970s with the development of Poulsbo Bread, now sold worldwide; however, the town's most unique claim remains its name—the result of a spelling error.

About the Author Authors Judy Driscoll and Sherry White are both active in the Poulsbo Historical Society and enjoy gathering research related to Poulsbo history. Sherry was raised in Poulsbo and brings the perspective of a hometown kid. Judy moved to Poulsbo in 1970 and has authored two previous works on the town. Images were selected from the collection of the Poulsbo Historical Society.
