The use of prepositions is something that is hard to explain but this book does all the work for you. 2 of 2 people found the following review helpful. An excellent book if you want to learn it By A Customer when I decided to buy this book, it was for many reasons, the most important, it was in the way the writer explains all. It's like a teacher working with you, when you work with the book, you are working with a teacher besides you. I recommend this book. You can make exercises, and analogies. It's an excellent book.

Practice Makes Perfect: Idiomatic English contains selections from all four of the volumes of Mastering Idiomatic

English. This overview volume introduces language relevant for daily life, including family, business, and shopping.
