National Geographic Maps, Waterford Press : Puerto Rico Adventure Set: Map Naturalist Guide before purchasing it in order to gauge whether or not it would be worth my time, and all praised Puerto Rico Adventure Set: Map Naturalist Guide:

3 of 3 people found the following review helpful. not as describedBy Robert W. DruesThe map is a good road map of Puerto Rico on waterproof paper. The price for this set is reasonable. The problem is that this set was advertised as having a road map plus a pocket naturalist guide to flora and fauna. The "naturalist guide" is however only a guide to birds. There are no other fauna and no flora in the guide. The guide is a nice very compact pocket guide to birds, probably not comprehensive enough for true bird enthusiasts, but if that had been what I wanted, I would have been happy with this set. If the set had been accurately described, I would have given it 5 stars,3 of 3 people found the following review helpful. Map is good, what I expectedBy J. RileyMap is good, what I expected. "Naturalist" guide is ONLY birds. That is the reason for 2 stars. Just advertise this as a map and bird guide!0 of 0 people found the following review helpful. Four StarsBy Suzanne M. LawrenceArrived on time and as described.

The Puerto Rico Adventure Set consists of a Pocket Naturalist Guide and National Geographic Map, offering a perfect resource for travelers wanting "hands on" information on what to see and where to go to find some of the world's most dramatic natural attractions. Waterford's Puerto Rico Birds offers visitors or armchair travelers the information needed to identify some of the islands most significant and impressive flora and fauna. Beautiful full color illustrations on the 10 panels highlight more than 150 species with descriptive text indicating distinguishing features, scientific names and measurements. It is the perfect pocket reference that is easy to use while exploring through this amazing region. It is packaged with National Geographic's Puerto Rico Adventure Map, a folded waterproof map that provides global travelers with the perfect combination of detail and perspective. Highlighting hundreds of points of interest and the diverse and interesting wildlife, this map also contains detailed topographic information, plus useful traveling tips, and regional information.
