Explorer Publishing : Qatar Complete Residents' Guide, 3rd: Live Work Explore (Explorer - Residents' Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised Qatar Complete Residents' Guide, 3rd: Live Work Explore (Explorer - Residents' Guides):

1 of 1 people found the following review helpful. Qatar Complete Residents Guide - 2 thumbs upBy Satisfied customer2 enthusiastic thumbs up for this very thorough guide. Yes, it lacks the brutal honesty that a Lonely Planet guidebook might (very little, for example, is said about Doha's wannabe F1 drivers or the incessant sand dust), but it

does give a very comprehensive guide for the resident.

Packed with vital information and advice, the Qatar Complete Residents Guide is the essential guide for anyone living in this emerging country. From the baffling bureaucracy and issues such as housing and healthcare, to exploring, activities and socialising, its all covered here in meticulous detail.
