From Explorer Publishing : Qatar Mini Visitors Guide before purchasing it in order to gage whether or not it would be worth my time, and all praised Qatar Mini Visitors Guide:

0 of 1 people found the following review helpful. National Best Selling author of By CustomerHand Guide when I am in Doha providing my International Train The Trainer programs Lenny Laskowski, National Best Selling author of, "Painless Presentations - The Proven Stress-Free Way to Successful Public Speaking" (John Wiley Sons) and "10 Days to More Confident Public Speaking" (Grand Central Publishing)

The little book that packs a big punch, the Qatar Visitors' Guide may fit in your pocket but it's bursting with information on this island nation. With excellent maps to aid exploring, a comprehensive shopping chapter with insider tips, details of sports and spas, and reviews of restaurants, pubs, bars and clubs, this is an indispensable guide to one of the most fascinating countries in the Gulf.
