MapArt : Quebec Road Atlas (Mapart's Provincial Atlas) (English French Edition) (English and French Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Quebec Road Atlas (Mapart's Provincial Atlas) (English French Edition) (English and French Edition):

1 of 1 people found the following review helpful. Happy traveller. By Christo Ordered this atlas last month after the Atlantic Canada Atlas promised Quebec, but did not deliver. I received the 2nd Edition, 2017 (it is only 2016 now). Happy! It covers Quebec off the beaten track - which is what I am interested in. The main parts of the province are well covered too, can't complain about the cities. Areas without roads are not (well) represented. Still. 27x22cm at 1:250,000 is great. Probably would have liked a little more of the bordering areas, eg Labrador/NFL, Maine, Ontario. 1 of 1 people found the following review helpful. 1) 11x17 format is much clearer. 2) Some of ... By ernestine cutler1)

11x17 format is much clearer.2) Some of the paved roads are in such a pastel shade it is very difficult to distinguish them from the background. Otherwise it is what I expected. Although there are mysterious shaded lines separating regions from regions which are never explained5 of 6 people found the following review helpful. There it is. By P. C. Blair Do quite a bit of Genealogy research. Planning a research road trip into lower Quebec Province. This atlas goes a long way towards finding some of those lesser known townships. The Atlas was great find.

The Quebec Road Atlas allows you to see all the names and numbers of the Provinces backroads and Highways. Ideal for the weekend Cottager or the business person on the go. Large Scale and Easy to Read. GPS compatible - Sugar shacks- Scenic routes- National Histotis sites- Campgrounds - Snowmobile routes
