Lots of xrated type words and that's OK with me but the example phrases could use translation to English for those who don't understand Spanish. Some pretty hardcore phrases so that may be the reason. For a few dollars less, it may be worth buying for entertainment.0 of 0 people found the following review helpful. About the AuthorABOUT JARED ROMNEY, AUTHOR OF THE QUICK GUIDE TO COLOMBIAN SPANISH: Suffering a typical 9 to 5 existence, Jareds foray into lunch-hour Spanish shook up his mundane life. He quit his job, stopped by briefly to school, and then left his country...for 14 years. Early stumblings in real-world Spanish taught him that a "cola" isnt just a soft drink, "bicho" doesnt always mean a bug, and "boludo" may be heartfelt or middle-finger felt. Nine countries, three business start-ups, two bestsellers and a Puerto Rican wife later, he is still confounded by how many Spanish words exist for panties. His quest is to discover all those words with his website <http://www.SpeakingLatino.com>. In between, he meanders the Earth, dabbles in languages, drinks wine and sells shampoo.
