Excellent Startup GuideBy Shirley RiversAnyone thinking about starting small business can't find a better resource for relevant, straightforward, and comprehensive guidance than the Entrepreneur Press startup guide series. With the increasing need for services for our aging population, there are great opportunities for entrepreneurs to start their own small or home-based business in any number of senior services niches. I recommend this guide because it's packed with truly useful and reliable information. There is no fluff and no

sales pitch, just valuable information you need to know if you're going to start a business. 1 of 1 people found the following review helpful. Better if focused exclusively on in-home senior care and not ...By Richard Blumenfeld Was interesting read but not comprehensive. Better if focused exclusively on in-home senior care and not senior transportation, travel, relocation... 1 of 1 people found the following review helpful. BOOK REVIEW By Sandra Agazie RN, BSN CMSRN The book is helpful, but it was not giving a whole lot of information. Most information were things I already know.. It was not giving alot of information.
