Give yourself the extra benefits of a holiday at home. Pamper yourself according to your own priorities, interests and budget. With STAYCATION, it's easy and fun. You could be on vacation right now!

About the AuthorStoryteller and nomad Dennison Berwick has learned by hard experience the rules on how to get away from it all without going anywhere. He founded Still Life Retreat, a non-denominational retreat centre, and edited and published the Canadian Retreat Guide. He has also walked solo 2000 miles along the Ganges, Indias sacred river, and traveled extensively in the . He now lives on a 32-foot sailboat "Kuan Yin". Simone Pertuiset is a mother of three and, in her spare time, a manager and technical writer! In a previous life, she spent 7 years circumnavigating the world in a 31ft sailboat. Now landlocked in Ontario, Canada, shes discovered you dont need to leave home to enjoy a successful vacation. A holiday is a state of mind and spirit. But it also takes a fresh point of view and creative ideas.
