This is NOT one of those books. What sold me is that the author applied lean business principles to the problem of travel. It works, and I feel like I should have taken a more business oriented approach before.I've used some of the tips in this book to arrange vacation plans at a huge discount over last year. I've also applied some of the techniques to bring down the travel costs for our business. We attend a lot of events and this book has saved us thousands of dollars.Well worth the purchase price, I promise you'll get something out of this book that will keep you on the road. Happy travels!2 of 2 people found the following review helpful. free work outs and how to find out the Pricelines best rate with a pre-paid visa debit card with no ...By Holly GolightlyGame Changer!From out of nowhere, the cover of this book caught my eye at an airport bookstore. I picked it up to see if it could live up to the taglines and couldnt believe the first few tips I read (aka: luggage jacket, sleep in spa nap rooms, free work outs and how to find out the Pricelines best rate with a pre-paid visa debit card with no balance.I talk about this book a lot and am really surprised nobody has heard of it. Get it now while you're planning your summer travel plans.Its a total game changer!2 of 2 people found the following review helpful. ...an oasis of travelling tips.By CustomerAfter a few pages, I had to go back to highlight the great tips I was going to lose in the shuffle. So loaded with info that I will read it again pretty soon. Not your average travelling book. Hannon is an oasis of travelling tips. :-) My wife has been devouring it, as she usually plans our trips, and was enlighten on many occasions.
