Very convenient and did not tear under heavy use. Was a bit confused about the labeling of the enlarged sections of the map. But, better map (more legible) than the fold out one that I also purchased from another vendor.

VanDam's award winning Los Angeles StreetSmart maps all top attractions including museums, major architecture, hotels, and shopping destinations - all at an immensely legible super-scale of 1:21,000, complete with 3-D building illustrations. Clear information design allows users to read the map from three feet away and has earned VanDam maps a place in the MoMA Collection. The Los Angeles StreetSmart includes a stunning dimensional detail of Downtown LA, Bel Air, Westwood, Beverly Hills, West Hollywood, Hollywood, and East LA. Edition includes a map of the Greater LA Area and Pasadena. Simplicity reigns supreme in information design to make complex cities clear and understandable. Our typography creates character and reveals the true bones of the City of Angels. VanDam uses a letter grid to identify locations on maps - no confusing and cluttering K-28 or V-34s - its just the city from A-Z. Our covers map the icons of each city and turn them into collectible graphic art. Each sleek and laminated city map package opens to 24" x 9" and then easily folds down to 4" x 9" to snugly fit into a shirt pocket or purse. Gain instant LA StreetSmarts and a sexy souvenir to boot!
