whether or not it would be worth my time, and all praised StreetSmart Queens Map by VanDam - City Street Map of Queens, New York - Laminated folding pocket size city travel and subway map:

0 of 0 people found the following review helpful. EssentialBy dave strasburgWhat can be said about a map? Well, this one might be the only one available of Queens - no similar ones seem to exist of either the Bronx or Staten Island. Because of the borough's great size and irregular shape, the map is spread out over both sides of the sheet; a few corners have been snipped off, as in many maps. But these minor gripes aside, the map is essential for proper exploration of the great City of New York.0 of 0 people found the following review helpful. Five StarsBy KundeThanks!1 of 2 people found the following review helpful. It's still good to have a physical map in the carBy NYC ShopperGPS systems do not always give you the most efficient directions. It's still good to have a physical map in the car. These StreetSmart maps are great. Recommend.

VanDam's award winning Queens StreetSmart maps all top attractions including museums, major architecture, hotels, historic sites, shopping centers, concert venues, and more - all at an immensely legible super-scale, complete with 3-D building illustrations. Clear information design allows users to read the map from three feet away and has earned VanDam maps a place in the MoMA Collection. The Queens StreetSmart includes a stunning dimensional detail of Long Island City, Jamaica, Flushing Meadows, The Rockaways, and everything in between. Edition also contains MTA Subway and LIRR stations to help you navigate to the rest of The City of New York. Simplicity reigns supreme in information design to make complex cities clear and understandable. Our typography creates character and reveals the true bones of the vertical city. VanDam uses a letter grid to identify locations on maps - no confusing and cluttering K-28 or V-34s - its just the city from A-Z. Our covers map the icons of each city and turn them into collectible graphic art. Each sleek and laminated city map package opens to 32" x 9" and then easily folds down to 4" x 9" to snugly fit into a shirt pocket or purse. Gain instant Queens StreetSmarts and a sexy souvenir to boot!

"...A Connoisseur's Map!" --USA Today"For savvy travelers." --Playboy Magazine"The Map..." --The New York TimesAbout the AuthorStephan Van Dam, AIGA is an award-winning cartographer, graphic designer, and information architect. He is the president, principal and creative director of New York-based VanDam Publishing. Twenty-seven of his maps are in the MoMA Collection. The universal power of maps has been his guiding passion for the past 25 years and fuels his desire to tell stories and construct new realities through maps in all media. He's has mapped over 85 world cities, and holds several patents in the field of paper engineering and origami map folding. His work has been honored by the Industrial Design Society of America (IDSA), the American Institute of Graphic Arts (AIGA), the editors of ID magazine and has been featured on national television and been sighted in numerous feature films.
