Streetwise Maps : Streetwise Ireland Map - Laminated Country Road Map of Ireland before purchasing it in order to gage whether or not it would be worth my time, and all praised Streetwise Ireland Map - Laminated Country Road Map of Ireland:

13 of 13 people found the following review helpful. DO NOT BUY - a total waste of money!By Jack KennealyIt claims a publication date of 2013. However, Ireland's only east-west superhighway, M6, is not even on the map, despite M6 having been completed in 2009. C'mon, , don't allow this kind of dishonest product selling!20 of 20 people found the following review helpful. Terrible PurchaseBy Ty WebbI have bought a few Streetwise maps in the past for specific downtown city areas and found them invaluable. Therefore, when I was planning a trip to Ireland where I'd be touring the West coast in a rental car, I thought this map would be helpful. Turns out it was a waste of money. The map was really outdated (The one I received from was last updated in 2008, though in all fairness the road changes were very recent), but even had it been accurate it was in no way detailed enough to be of any value what-so-ever. You won't see much of anything sticking to motorways in Ireland. The free map provided by the rental car company was many times better. Don't waste your money on this one.2 of 2 people found the following review helpful. Rendered obsolete by offline map phone appBy bye byeDidn't need it, but good insurance policy if your phone breaks. Not much backroads detail. Download maps.me app, complete Ireland (and France and...?) maps with attractions and directions -- without need for data connection. I'm talking to you, T-Mobile users.

Streetwise Ireland Map - Laminated Country Road Map of Ireland - Folding pocket size travel mapThis map covers the following areas:Main Ireland Map 1:1,200,000Dublin Area Map 1:100,000A popular destination for first time travelers abroad is Ireland, for many reasons. First, Ireland is spectacularly beautiful with emerald green rolling countryside and serene lakes and rivers. Second, the pace of life is relaxed with most of the country sparsely populated. Third, there are plenty of daytime activities that appeal to a wide range of interests. Finally, and most important, the people are warm, friendly and familiar. The next step is to plan your visit, aided by the STREETWISE Ireland Map.A driving tour is the best way to get to know the country. Ireland has four international airports: Dublin, Cork, Belfast and Shannon, so getting there is easy. Once you're there pick a starting point, and then go!If you only have a short time to visit Ireland, you might consider limiting yourself to the Ards Peninsula. Hardly a limitation as this area encompasses some of the best scenery in Ireland. The roiling Irish Sea on one side and the calm of the Strangford Lough frame green pastures, authentic fishing villages and historic sites. You can fill your days sailing, birding, or just watching the light change over the water, a lifelong occupation in itself.A STREETWISE Ireland Map can take you to all of the great destinations. Motorways, divided highways, primary, secondary, minor roads and scenic routes are clearly depicted. The map is fully indexed with cities, towns, castles, viewpoints, historical sites and points of interest. A mileage chart and a separate inset of the Dublin area are included to ensure that you can get in and out of Ireland's capital easily.Our pocket size map of Ireland is laminated for durability and accordion folding for effortless use. The STREETWISE Ireland map is one of several detailed and easy-to-read country road maps designed and published by STREETWISE. Buy your STREETWISE Ireland map today and you too can navigate Ireland like a native. For a larger selection of our detailed travel maps simply type STREETWISE MAPS into the Amazon search bar.
