MCDUGAL LITTEL : Student Atlas of the World before purchasing it in order to gage whether or not it would be worth my time, and all praised Student Atlas of the World:

0 of 0 people found the following review helpful. Atlases came in better shape than described. Problem is that the shipping cost 5 times more \$ than the 8 books.By James L DemtrakThe books are not being published anymore. I had to stay homogenous because I teach a SPED World Geo class, so it's just easier on all involved.
