Gibson This is a beautiful coffee table book, but mislabeled as "100 Greatest Waves" Tofino in Canada, Nova Scotia, New England, Long Island, The Great Lakes, Taiwan? The list goes on and on of waves that would not make anyone's list of 100 greatest waves. It should have been named Waves Around the World. Pretty book. 2 of 2 people found the following review helpful. Great Book for Surfers! By CLK Beautiful wave photography and informative surfer travel information. Gave as gifts to surfer family members and it was a hit. Ours sits on the coffee table for all to see and read. Surfers everywhere will benefit from this well designed, beautifully photographed and informative book! A surfer's "Dream Building Guide" to world wide destinations! Highly recommend. 0 of 0 people found the following review helpful. They LOVED the book By Open to great experiences This was a Christmas gift for my surfer family in California.
